SUPERVISORY PATENT EXAMINER

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the prior art of record fails to disclose an apparatus comprising elements being configured as recited in claims. Specifically, none of the prior art teaches or fairly suggests, among other things, the limitation "*a complementary circuit, one end of which being coupled with said another end of said buffer chain for receiving said another output signal of said buffer chain and another end of said complementary circuit outputting a pair of complementary output signals; two charge pumps, one end of each being coupled with said pair of complementary output signals of said complementary circuit respectively, and another end of said two charge pumps generating a charge pump output signal respectively; and a comparator, one end of which being respectively coupled with said charge pump output signal of each of said two charge pumps and another end of said comparator outputting said control signal, feedback said control signal to said control stage circuit*" as required by claims 1, 8 and 14.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to An T. Luu whose telephone number is 571-272-1746. The examiner can normally be reached on 7:30-5:00.
